A material factor in the improvement in tax collections during 1942 is the receipt of funds by the municipalities as part of their tax levies, as compensation for temporarily relinquishing certain taxation fields to the Federal Government. The particulars with respect to the receipt by the municipalities of these funds may be found on pages 10, 11 and 12 of this report.

I have the honour to be, Sir,

Your obedient servant,

GEORGE L. WALKER,
Commissioner of Municipal Affairs.
